1. This is an appeal filed by the State against an acquittal of the original accused no.4 Sou.Shevanta for an offence punishable under Section 324 of IPC. On perusal of the judgment, it appears that accused no.4 has been acquitted because the depositions of the injured Yuvraj stating that accused no.4 caught him and abused him and beat him, was found to be improvement on the police statement. The Court also observed that there is no independent corroboration to the incident of beating. Hence, not a fit case for interference. Leave is refused and consequently appeal papers to be filed. Application stands dismissed.
